smooze!™

The Loving
Coconutists Creation
made with freshly squeezed coconut milk

Smooze! unique selling direction

- healthy and delicious energy booster
- hip and stylish product image – affectionate and clean cut positioning for easy brand identification & recognition
- attractive ergonomic design for busy, on-the-go and fun loving consumers
 - 250ml Tetra Prisma with telescopic straw and pull tab: single serve, easy grip
 - 1000ml Tetra Slim with recap: slim & compact for easy storage, recap for multiple servings at different times, friendly family size
- smoothly blended with aromatic fresh coconut milk
 - expressed within 24 hours from time of harvest to preserve nutritious integrity and freshness of coconut milk
 - uses only choice coconuts harvested from our plantation: assurance of consistent quality and quantity

- uses only natural fruit ingredients for smooze range creation
- enhanced with vitamin C
- aseptic packaging with 12 months ambient shelf life
- tenderly concocted by The Loving Coconutists (TLC) @ P.T. Pulau Sambu. An ISO9001, HACCP, BRC higher level, IFS higher level and AIB certified company.

Smooze! moments

Best smoozed chilled & shaken!

- **breakfast:** as a wonderful base for cereals or muesli & sprinkle with creative toppings (raisins, almond, coco flakes, banana)
- **lunch:** with toast, sandwiches, salad. A delectable meal accompaniment
- **mid day:** a fruity snack on its own or as a dip for cookies
- **dinner:** try frozen as pudding or shakes, a convenient straight off pack dessert
- **party pack:** call for a smooze party and kick it off with smooze vow to wow pledge
